

Day One

Volunteer for the Helpline

Volunteers are needed to meet with and support victims of sexual assault, domestic violence, and hate crimes.

Volunteers must be at least 18 years old, have a valid driver's license and a car, pass a criminal background check, and complete ALL 30 hours of training sessions.

Volunteer advocates provide support, information, referrals and safety planning to survivors at hospitals and police departments throughout RI. Our 30+ hour training program will provide you with the skills, knowledge, and confidence to work with victims of all ages. Bi-lingual candidates and those able to work with diverse populations strongly encouraged to apply.
